

Health & Safety Vision & Policy

Orange City Water Pvt. Ltd. (OCW) is committed to providing a safe and healthy work environment to its employees, associates, consumers, and all those who may be impacted by the company's activity.

OCW management believes that,

- No task is so important/ urgent that it cannot be done safely.
- Health and Safety will be our top priority over any other objectives.
- All accidents and injuries can be prevented by ensuring a safe working culture and safe work practices.
- Safety is everyone's responsibility.

To achieve a safe and healthy environment, OCW will adopt:

- Proactive approach for identification of all hazards, do risk assessments and take necessary preventive and corrective actions to eliminate or manage the risks as reasonably as low as possible.
- Be aware of major accidents and health risks and plan for actions to control the same.
- Regular Health and Safety training for all its employees and Contract employees.
- Comply with the relevant legal and other statutory requirements.
- Review and monitor Health and Safety Policy performance.

OCW Health and Safety vision and policy reflect a proactive risk and behaviour-based approach that Integrates Health and Safety into our culture, values, and the way we do business. Implementation of Health and Safety policy is the responsibility of all Directors and Senior Management.
